Presents

Healing The Soul

A Workshop for **Individuals** who want to move further into wholeness in Christ

What You Will Learn

- What are the wounds that haunt your soul?
- What are the messages of those wounds and how have they held you back from being all you can be in the Lord?
- What part does the enemy play: dealing with warfare.
- How to silence the messages of the enemy and live victoriously in the healing that God wants for you.
